

WHS AND SAFEWORK COMPLIANCE

IR Interactive Workshop

Workplace injuries of all sizes and severity cost your business! Did you know 75% of costs related to workplace injuries are indirect – including lost productivity, morale and loss of income? Do you have the skills and knowledge to effectively manage WHS and prevent or minimise the risks to your business?

This workshop will provide managers and supervisors with the documentation and skills necessary to effectively manage Work Health and Safety issues.

This is the only course of its type delivered in South Australia where you will walk out the door with the tools and skills to implement these systems in your workplace immediately.

Undertake the WHS for the Motor Trade Industry Training to:

- ▶ Reduce workers compensation premiums
- ▶ Increase productivity
- ▶ Take a proactive approach to risk management & compliance
- ▶ Stay Safe and Save Money!

This workshop will provide a practical learning environment which focuses on:

- ▶ Avoiding injuries in your workplace
- ▶ Incident reporting
- ▶ Risk assessment
- ▶ Work Health Safety Policy Templates
- ▶ Emergency Evacuation Procedures
- ▶ Drug & Alcohol Procedures

As a non-accredited course, all participants completing this course will receive a Certificate of Attendance.
